

Executive Assessment

A business degree assessment designed for busy professionals

The Executive Assessment offers admissions professionals a way to evaluate candidate program readiness. It also provides the convenience that busy professional candidates need. The Executive Assessment offers candidates unlimited score sending, flexible scheduling, and most test takers prepare for the assessment in **less than four weeks**.

With this 90-minute assessment, your institution can know a candidate's commitment and readiness to completing a graduate management education – **before they enroll**.

The Executive Assessment is accepted by leading schools around the world.

Representing over 240 programs across more than 130 schools, these programs use the Executive Assessment to confidently build classes across a variety of program types, including:

Executive MBA, Master's, Online, Full-time MBA, Hybrid MBA, and Part-time MBA.

High Quality

Exam scores highly correlated to classroom performance.

Readiness

Focuses on helping you assess candidate ability + skill level (not necessarily on screening candidates out).

Reduced Prep Time

Requires minimum prep time and enables candidates to submit their scores to your institution at no cost.

Relevance

Designed specifically for the busy professional based on skills candidates use every day.

Pipeline Insight

Taking the assessment will allow candidates to demonstrate their commitment to your program and help you gain earlier visibility into your pipeline.

Don't risk losing a good candidate.
